## Reminders & Updates

*Staff,*

*With cold weather (below 40 degrees), we will utilize different carpool assignments. On those days, we will pull all carpool staff to work in the carpool lanes and in the cafeteria. This will leave hallways and bathrooms unsupervised without your help. Homeroom teachers will need to assist by standing in your doorways to monitor your class as well as keep an eye on the halls. Grade levels can alternate so that one person has this supervision or all of you may assist. An announcement will be made any time we need to move to the 40 or below supervision.*

*Thanks,*

*Zinta Perkins*

*Student surveys will be placed in your Google Classroom on Wednesday. Please have scholars to complete the surveys following clubs. K-2 will need to read/walk through the survey with your scholars. Please make sure that all scholars complete the survey.*
